

How a session is run JSHS 2019

Each student will be allowed twelve minutes for his/her presentation and an additional three minutes is set aside for questions.

Judges will have the first opportunity to ask questions and then the audience.

Each Session will use a triple display timer. The timers will be set at 10 minutes, 12 minutes and 15 minutes. At the end of 10 minutes the Judge will announce the 2 minute warning.

If a person has not been assigned to a session as the official timer, then one of the judges for that session will become the official timer.

Presentation facilities included a digital projector, computer, and screen. Most students choose to use Power Point for their presentations. The symposium will take place in the Russell House

Someone will be available to show the judges or presiders how to run a timer.
