AP* Summer Institute in Latin

There is no registration fee for enrolling in LATN 580, Teaching AP Latin in Secondary Schools. You do, however, need to apply for graduate study as a non-degree student at USC (up to $50, depending on your current status). To apply, complete the forms posted on the Graduate School’s website:

http://app.gradschool.sc.edu/non-degree.asp

If you have further questions about the application and admissions process, you may contact the Graduate School at 777-4243.

We have anticipated the cost of the AP Latin course bundle and other materials in applying for the grant. If the cost exceeds expectation, you may be asked to pay a small fee (less than $50) to cover the cost of materials.

We are working with campus housing to reserve single and double occupancy dorm rooms (estimated cost ranges from $25-$40 per night). Since we have to guarantee partial payment for the rooms prior to the dates of the AP Institute, we are trying our best to book only as many as we will need. Please respond quickly if you will need a room so that we can reserve more if necessary without overspending.

Once you have completed the form on page 2, please return it no later than April 15, 2012 to USC’s Department of Languages, Literatures, and Cultures:

Attn: Hunter Gardner (Classics)
Department of Languages, Literatures, and Cultures
1620 College Street
University of South Carolina
Columbia, SC 29201

Registration Form
AP* Summer Institute in Latin
Hosted by USC’s Department of Languages, Literatures and Cultures, and the
College of Arts and Sciences
University of South Carolina, Columbia
June 11-29 (on campus, June 11-15)

Name:

Home address:

School and District:

Your certifications and endorsements:

What Latin courses have you taught?

What graduate level Latin courses have you taken already?

Will you need housing? If so, do you have a preference for a single or double room?

Do you have special needs/requirements that we should know about with respect to housing, diet, etc.?

Do not forget to apply separately through USC’s Graduate School for status as a non-degree student. The Graduate School will require proof of degree, certificate of immunization, proof of residency, and other documentation.
