

# Spanish Mount Point Volunteer Excavation

October 7 — 11, 2016

**SC State Parks is hosting a five-day  
volunteer dig at Spanish Mount Point  
at Edisto Beach State Park**

Spanish Mount Point is a 4,000 year old Native American shellfish mound located on Edisto Island, 45 miles south of Charleston. Excavations have focused on the recovery of information before the mound is lost to coastal erosion forever.

This October, we will be continuing excavations along what remains of the mound slope. Volunteers will participate in digging and screening. You are welcome to come for just a day or two or stay the whole time!

## Daily Schedule

8:30 AM Leave Camp

9:00AM Arrive at Spanish Mount and begin work

12:00—12:30 Lunch

3:30 PM Close Site and head back to Camp

- A group camp site has been reserved for volunteers
- Picnic lunch provided at the site, breakfast and dinner provided at the campground
- If staying overnight, please bring a tent and personal camping equipment
- Under 18 must be accompanied by an adult
- Feel free to either meet us at the campground or at the dock parking lot at the end of Oyster Row Ln, where we start the 10 min. walk to the site
- Spots are limited—please RSVP to Karen Smith at [smithky2@mailbox.sc.edu](mailto:smithky2@mailbox.sc.edu), Stacey Young at [stacslyyoung@hotmail.com](mailto:stacslyyoung@hotmail.com), or David Jones at [djones@scprt.com](mailto:djones@scprt.com)
